

The key is missing 鍵がない

The key is missing, my phone is missing,
my glasses are missing.

Oh no! Where, where, where?

I found it, I found it. It's all right.

I found it, I found it. Good day, yeah!

鍵が無い、携帯がない、眼鏡がない！ なんてこっちゃ！

どこ？ どこ？ どこ？

見つけた、見つけた、大丈夫！

見つけた、見つけた、いい日だ、ヤッタ！
